2.1	SmartPlus App .....	4

# 1 New Features

## 1.1 SmartPlus App

- Support for adding Orio smart lock on SmartPlus App using the Orio lock account.
- Support for unlocking Orio lock remotely and checking the door logs.

## 1.2 SmartPlus web platform

- Support for connecting smart lock with relays in E12 and E16 door phones with a new firmware version for the unlock control.

## 2 Fixed Bug

### 2.1 SmartPlus App

- SmartPlus App users (Office scenario) can still receive calls even after the SmartPlus intercom feature is disabled.
